WELCOME NEW 2014 ROSARIANS!

During the beautiful ceremony, we all had the opportunity to renew our promises to the Blessed Mother.

After Mass, we welcomed all our new Rosarians with a cake and a party.

Welcome new Rosarians! On May 19, 2014, five new members were inducted into the Rosary Society at our regular meeting in May.

The meeting started off with a beautiful Rosary meditation on the Luminous Mysteries that included an audio-visual presentation and a reflection on each prayer of the Rosary. Fr. Kevin celebrated Mass and we were all touched by his words and moved by the ceremony.

Unfortunately, two new Rosarian inductees were unable to attend due to very ill family members who were under their care. We remembered them in a special way and will induct them at our next ceremony in May 2015.

WELCOME NEW ROSARIANS! (Continued)

We are thrilled to have so many new people who want to join in praying the Rosary in honor of Our Blessed Mother and her son, Jesus Christ.

She is pleased that so many have responded to her call and wishes us to continue to pray and to consecrate ourselves and our families to her Most Immaculate Heart.

SURVEY RESULTS ARE IN!

Periodically, the Rosary Society asks for feedback on the various programs that are held during the year. The last survey was in 2012 not long after our leadership team committee was formed.

This information is critical and helps our goal to plan programs that; (1) help deepen the relationship between ourselves and the Blessed Mother; (2) help bring us all closer to her son, Jesus Christ and (3) help those outside of our group to respond to her call.

Questions ranged from “How long have you been a member?” and “How well did you like the food at our various functions and, most importantly, “What else can we do to help improve our programs in order to bring you closer to Mary?”.

We received many suggestions and the results will be presented during our September meeting!

WHITE ELEPHANT AND FLOWER SALE!

This year’s White Elephant and Flower Sale was one of the best ever!

Despite the inclement weather and one wash-out, both the White Elephant and Flower Stand were nearly sold out!

Diane Van Blarcom did a fantastic job setting up and creating beautiful flower baskets. As usual, Paul Doviak worked very hard to make the White Elephant a success.

Eileen Laverty made arrangements to donate all the leftover White Elephant goods to the retarded citizens in Clifton.

Rosarians turned out in record numbers to help in many different booths generously sharing their special talents.

We owe a tremendous debt of gratitude to Bartlett’s Florist for their beautiful flower donation, not only to the Carnival but to many of our Rosarian events. Without their help, the Flower Sale would not be the success it has always been.

Thank you Bartlett’s for your great generosity to St. Philip’s and our to Rosary Society over the years!
